St. Joseph High School
Alameda, California

In the year 1817, Father William Joseph Chaminade founded the Society of Mary in Bordeaux, France. Today, 150 years later, the work begun on that date has influenced and will continue to influence profoundly the entire world, by awakening in youth an awareness of Mary's vital role in the life of every Christian.

This year marks a milestone in Christian educational service. The production and publication of the 1967 POWERDIVE has been conducted simultaneously with the observance of this anniversary. The yearbook serves as a mirror of the school, its activities, and its student body. In these are reflected her ideals, her goals, and her achievements.

Since all these are direct consequences of the selfless efforts of the Marianists, it is only fitting that the 1967 POWERDIVE be dedicated to the Society of Mary on the occasion of its Sesquicentennial Anniversary, in the hope that Mary may provide direction and meaning for all our actions and that they may echo the words of the Marianists who dedicate themselves "For the glory of the most Holy Trinity, the honor of Mary..."

150 Years*****

Bishop of Oakland

BRO. RICHARD BRITTON, S.M.

Principal

Radiating from the vibrant personality of Brother Richard Britton, S.M., is the warmth and friendliness known to students in the now twenty-five years of his religious vocation.

Arriving in 1966, Brother Britton has continued the traditions of the Son of Mary and the Man of St. Joseph. He strives for personal relationships, convinced that a strong Catholic education depends on student cooperation.

A strong enough tribute cannot be paid for such dedication on the occasion of his Silver Anniversary as a Marianist. Ad Multos Annos!

Mrs. R. Androtti (Secretary), Bro. Ehrenfeld (Moderator), Mrs. H. Wondolleck (President), Mr. J. Delsol (Vice President).

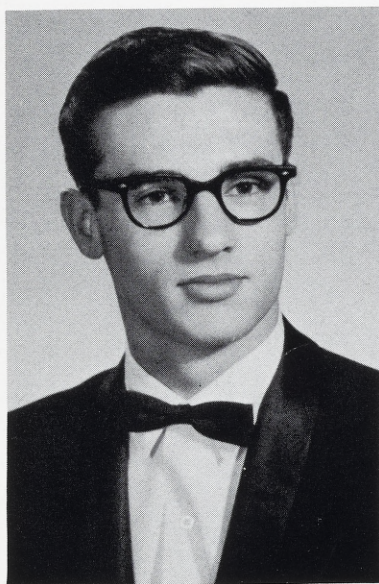

Adequate tribute cannot be extended to the Chaminade Parents Group for the vital interest it has manifested in the educational and scholastic lives of the students.

Executive Council

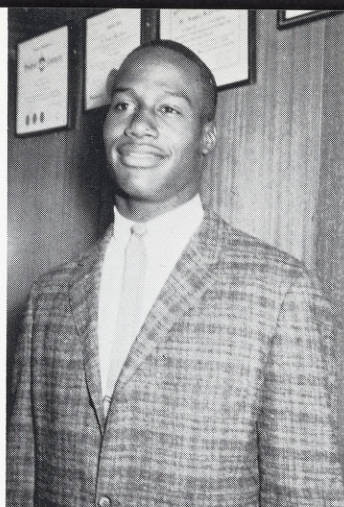

The officers of the 1966-1967 Associated Student Body of St. Joseph High School accepted a great challenge and a major responsibility this year. These students under the direction of moderator, Brother John Leary, S.M., spent a considerable part of the summer in organizing the activities and program of the coming year. This preparatory work has resulted in a highly effective, well-run student government and the publication of handbooks for dances, activities, and faculty-students.

Joining the elected SJ officers were the class presidents and the presidents of all accredited clubs.

National Honor Society

"Scholarship for Service" - the motto of the California Scholarship Federation amply designates the aims and purposes of both honor groups at St. Joseph, the CSF and the National Honor Society.

Both organizations have inaugurated a Student-Tutoring Program in which the members themselves conduct classes in the various academic disciplines for those needing such assistance. The initial response to the Program assures a new tradition for St. Joseph.

Mass Commentators

The Mass Commentators for the present school year reflect the image of lay involvement in these times of liturgical renewal. They assist the students with the necessary framework for a more intelligent and active participation in the liturgical life of a christian.

MASS COMMENTATORS: A. DaSilva, G. Lamm, J. O'Brien, M. Pedersen, R. Jensen.

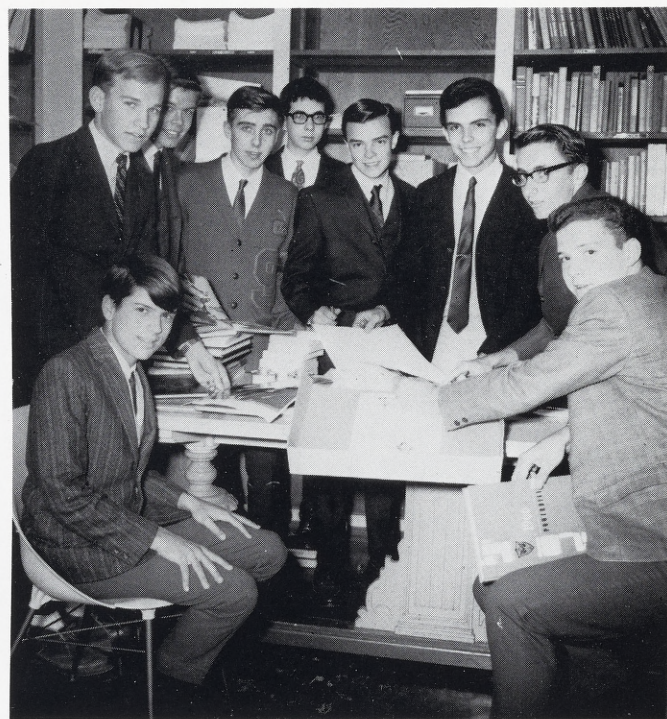

CULTURAL COMMITTEE

The "whole man" concept of personal development has prompted the creation of the Cultural Committee. Bearing in mind the proverbial adage that Rome was not built in one day, the Committee has concentrated its efforts and resources on discussion movies. Weekly bulletins informing the students of significant cultural events in the San Francisco Bay Area were posted in each homeroom.

Plans are being formulated for next year's program. Eventually the Committee hopes to instill, with a more comprehensive plan, an appreciation in the arts on the part of the students.

The Speech Club of St. Joseph has maintained a unique status within the school. The Club is one of the leading activities and holds a respectful reputation through its participation in the Golden Gate Speech Association and the local chapter of the National Forensic League. The aim and purpose of the Club is the continuing formation of polished and competent orators. The annual St. Joseph Speech Jubilee, an intramural competition among the homerooms, saw Al Magwili take full honors for the third consecutive year. Outstanding speakers are Pat Sullivan, Al Magwili and Dennis Walsh. The moderators are Mr. Patrick McCormick and Mr. Patrick Foley.

Golf

Overcoming enough injuries to rate as a football team, the SJHS varsity golfers improved quickly on the fairways. Teeing off the season as duffers the team reached the 18th green as scratch golfers.

John Enright

John Enright was two off the blues, as Joe Rastatter and Bob Bigelow were chili-dippin' away the season. Coach Russ Bettencourt finished the season as he started it, 18 off the reds.

Coach Bill Garvin

Characterized by 5 p.m. practices, three days a week, and a team spirit which typifies Pilots, Coach Bill Garvin's rowers are probably also one of the hardest working athletic teams at St. Joseph's. When not on the Lake, stamina is built by running.

The team normally races in four-man, heavy and light weight shells.
